Questions for round 1

WHY do we need community engagement
in order to address the
SDGs? What becomes
possible through an
engaged community?

WHAT actions and projects
do you know
that can help to engage
people to address the
SDGs?

Questions for round 2

HOW can we
communicate

to engage those who are
not already intrinsically
motivated to get involved
in addressing the SDGs?

WHO do we need
to engage more?

Which collaborations are
crucial?
