

UNICA IRO meeting 2019, Tallinn University/Tallinn University of Technology

Day 0, Monday 6 May 2019

Summer schools meeting

Afternoon:

- (optional) joint session with IROs with a summary of what was discussed during the summer schools meeting
- IRO meeting registration & welcome reception

Day 1, Tuesday 7 May 2019

Morning

- Digitalisation on international level - challenges in digitalisation/how digitalisation solves IRO problems/TalTechDigital - what we can learn and implement in our own institutions?

Afternoon

- Celebratory session: 25 years of UNICA IRO meetings (possible video message from EC representative, video presentation with photos on history of UNICA IRO - a look back, congratulation messages from former IROs, other ideas are welcome!)
- Social programme activity & dinner

Day 2, Wednesday, 8 May 2018

- **IRO Observer & Deputy IRO Observer election**

Proposals

- Cooperation beyond the EU - obstacles and success/failure stories
- Widening participation - especially in outgoing mobility
- Overview of summer school meeting - short-term mobility, and how to implement it into curriculums? Blended mobility?
- How to measure internationalisation of the university?
- **End of the programme at lunch time (ca. 13:00)**
