

FORUM 9

INTEGRATION OF REFUGEES: WHAT CAN UNIVERSITIES DO?

UNICA Student Conference 2017, Rome

PROBLEM

A lack of appropriate information

WHAT CAN WE DO?

Create a centralized web-based resource, where students, staff, and refugees communicate, collaborate and share information

FUNCTIONS

To share stories, experiences and successful programs

To create database of relevant and helpful information

To build a bridge between UNICA members and communities

WHY TAKE PART?

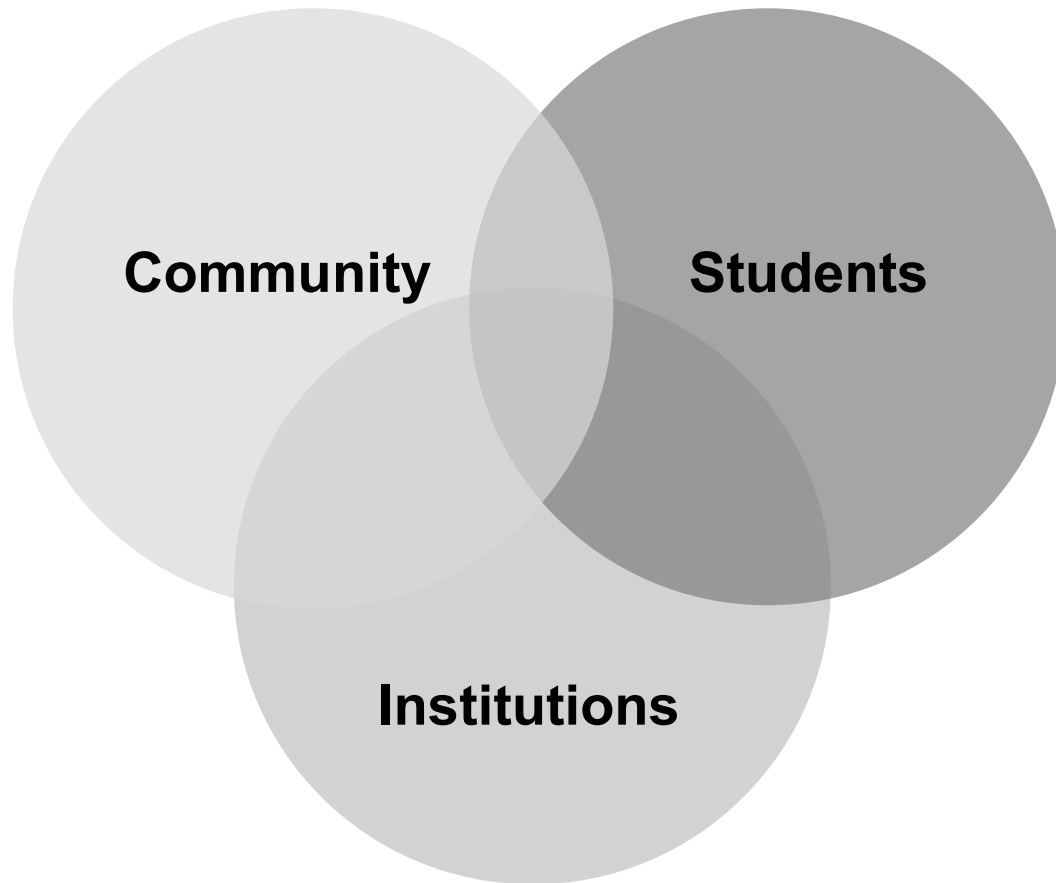

Diversity

Visibility

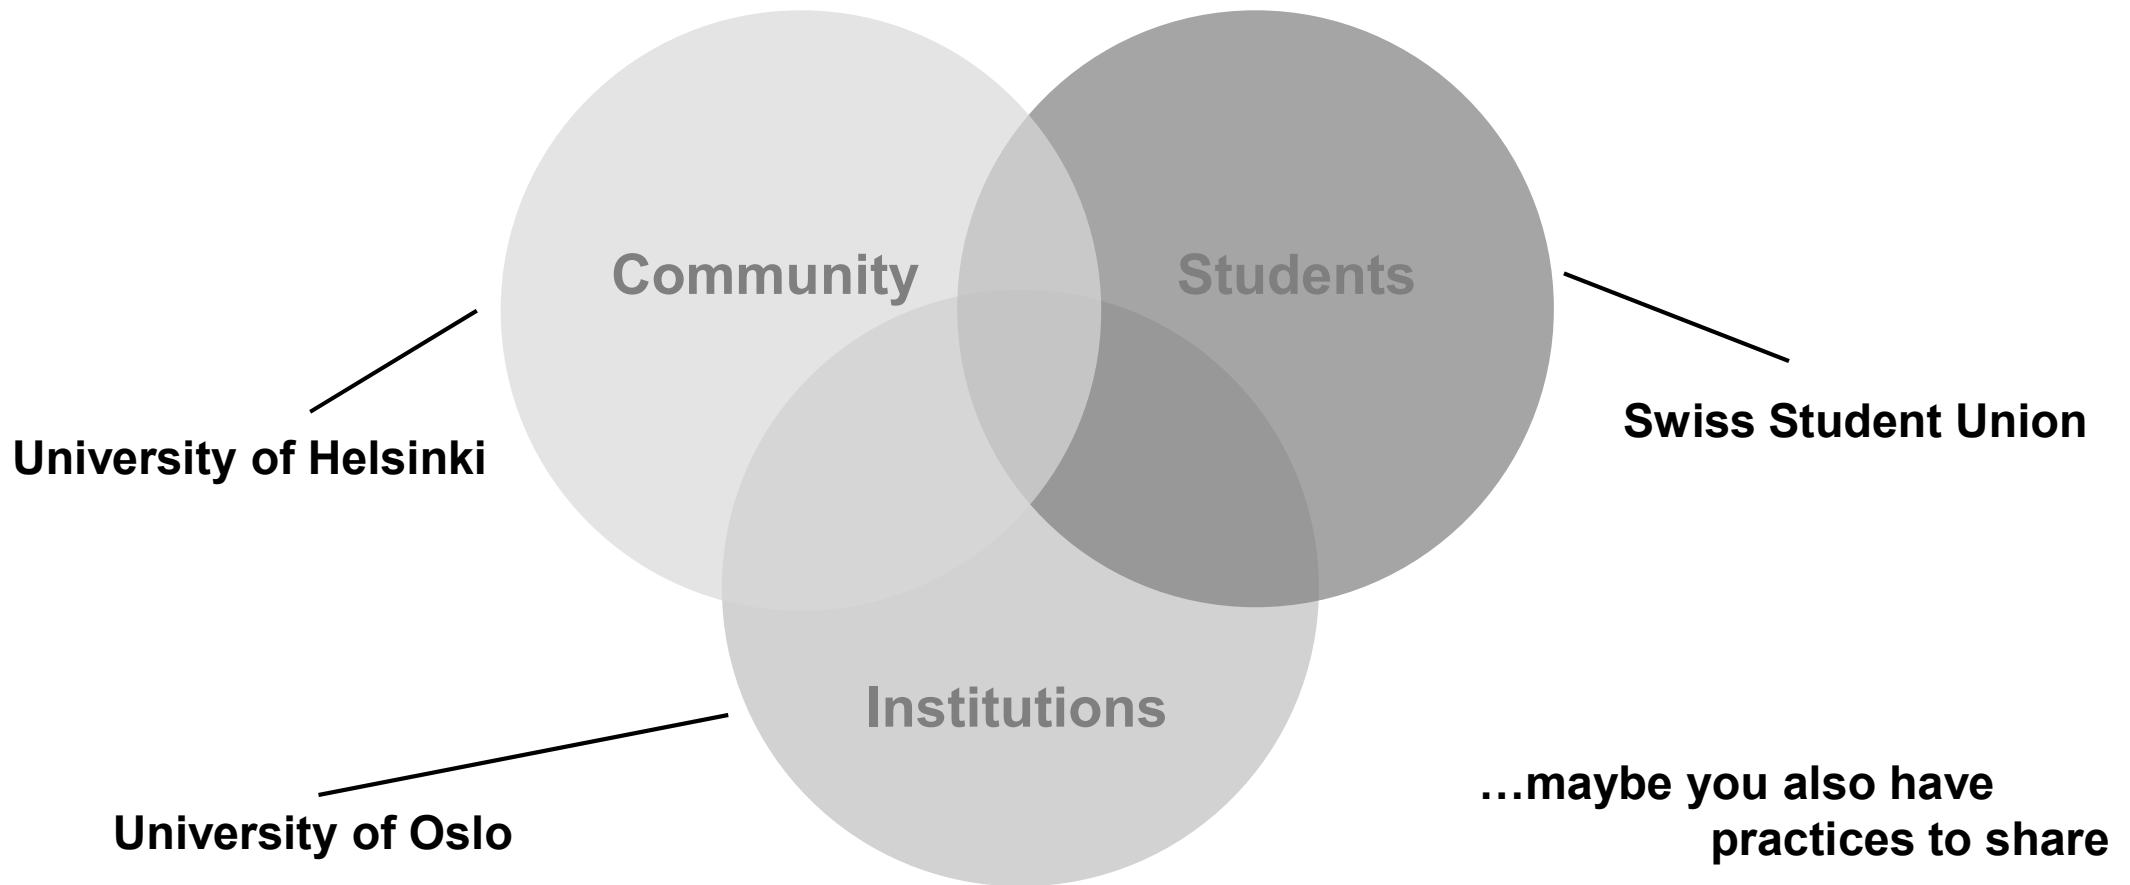

Student-centered

Humanity

THREE MAIN AREAS: A HOLISTIC PLAN

A HOLISTIC PLAN

HOW TO MAKE IT HAPPEN?

We need your support

We need you to get your universities involved

We need you all to be ambassadors of the project

We need your vote

...and this is just the starting point

OUR VISION

We believe that universities are places for sharing information, creating a community, and building bridges between human beings...

Thank you for your support!
