

Are you interested in joining UNICA GREEN?

Universities which are not members of the UNICA network can become involved as

UNICA GREEN PARTNERS

How can my university become a UNICA Green partner?

- Send a request to UNICA (office@unica-network.eu)
- Your application will be discussed with the UNICA GREEN Core Group and you will be asked to sign an official letter of commitment including the [UNICA GREEN pledge](#)
- The application will then be submitted to the UNICA Steering Committee for approval

Annual fee

The affiliation is based on an **annual fee of 500 euros entitling to a free of charge participation of up to 3 staff members in the annual workshop.**

What is the role of UNICA GREEN partners?

- To participate in the **organisation of the annual UNICA GREEN workshop** (contributing to the content of the programme by proposing main or accompanying topics, suggesting or providing the speakers, participating in skype meetings related to the organisation of a workshop).
- To participate in the Skype calls and meetings of the **UNICA GREEN Core Group**.
- To **share and promote their own and UNICA GREEN members' initiatives, events and best practices** related to UNICA GREEN priorities.
- **UNICA Green partners can:**
 - **host a workshop** (after approval from the UNICA GREEN Core Group)
 - **become involved in EU-funded project** or tender proposals together with the UNICA network and UNICA GREEN working group members.
