UNICA EDULAB

Ten years after the founding of the UNICA Bologna Lab in 2002, the group reshaped its activities in the light of the changing European HE landscape. The redesigned UNICA EduLAB aims at discussing the **implications of the Bologna Process for European HEIs focusing on new concepts and latest developments in university teaching & learning**, including student-centred learning and recognition of teaching excellence environments.

Target group: Vice-Rectors for Education, representatives of academic leadership responsible for Education & Teaching, Deans, Coordinators of Study Programmes, including e-Learning

Annual meeting (usually, early December)

EURLO & UNICA RESEARCH

The Group was established in 2006 to offer EU Research Liaison Officers from UNICA members a platform for the exchange of information, good practices, and solutions to overcome common difficulties resulting from the complex EU research funding rules & schemes. Over the years, it has widened its scope and UNICA Research aims now at offering a **think tank for EU Research Liaison Officers and Vice Rectors Research to discuss European research and innovation policy initiatives and strategies**. It also acts as a forum for **voicing joint recommendations on how to improve the European research policies and funding programmes**.

Annual meeting (usually in November)
