Student Clubs Support and Student Project Contest

Student Clubs Support

There are more than 150 student clubs and organizations at HSE.

Every year each club gets 10 000 RUB (130 EUR) to maintain their routine activities.

Student club activity should be visible for both internal and external audiences

Student Project Contest

Student Project Contest is a way of providing financial support to student initiatives. A student or a group of students may submit their project and receive up to 200,000 RUB (2`650 EUR) for its realisation.

- research and education;
- cultural events;
- media;
- sport projects;
- social projects;
- free category

University administrators decide what initiatives should be funded

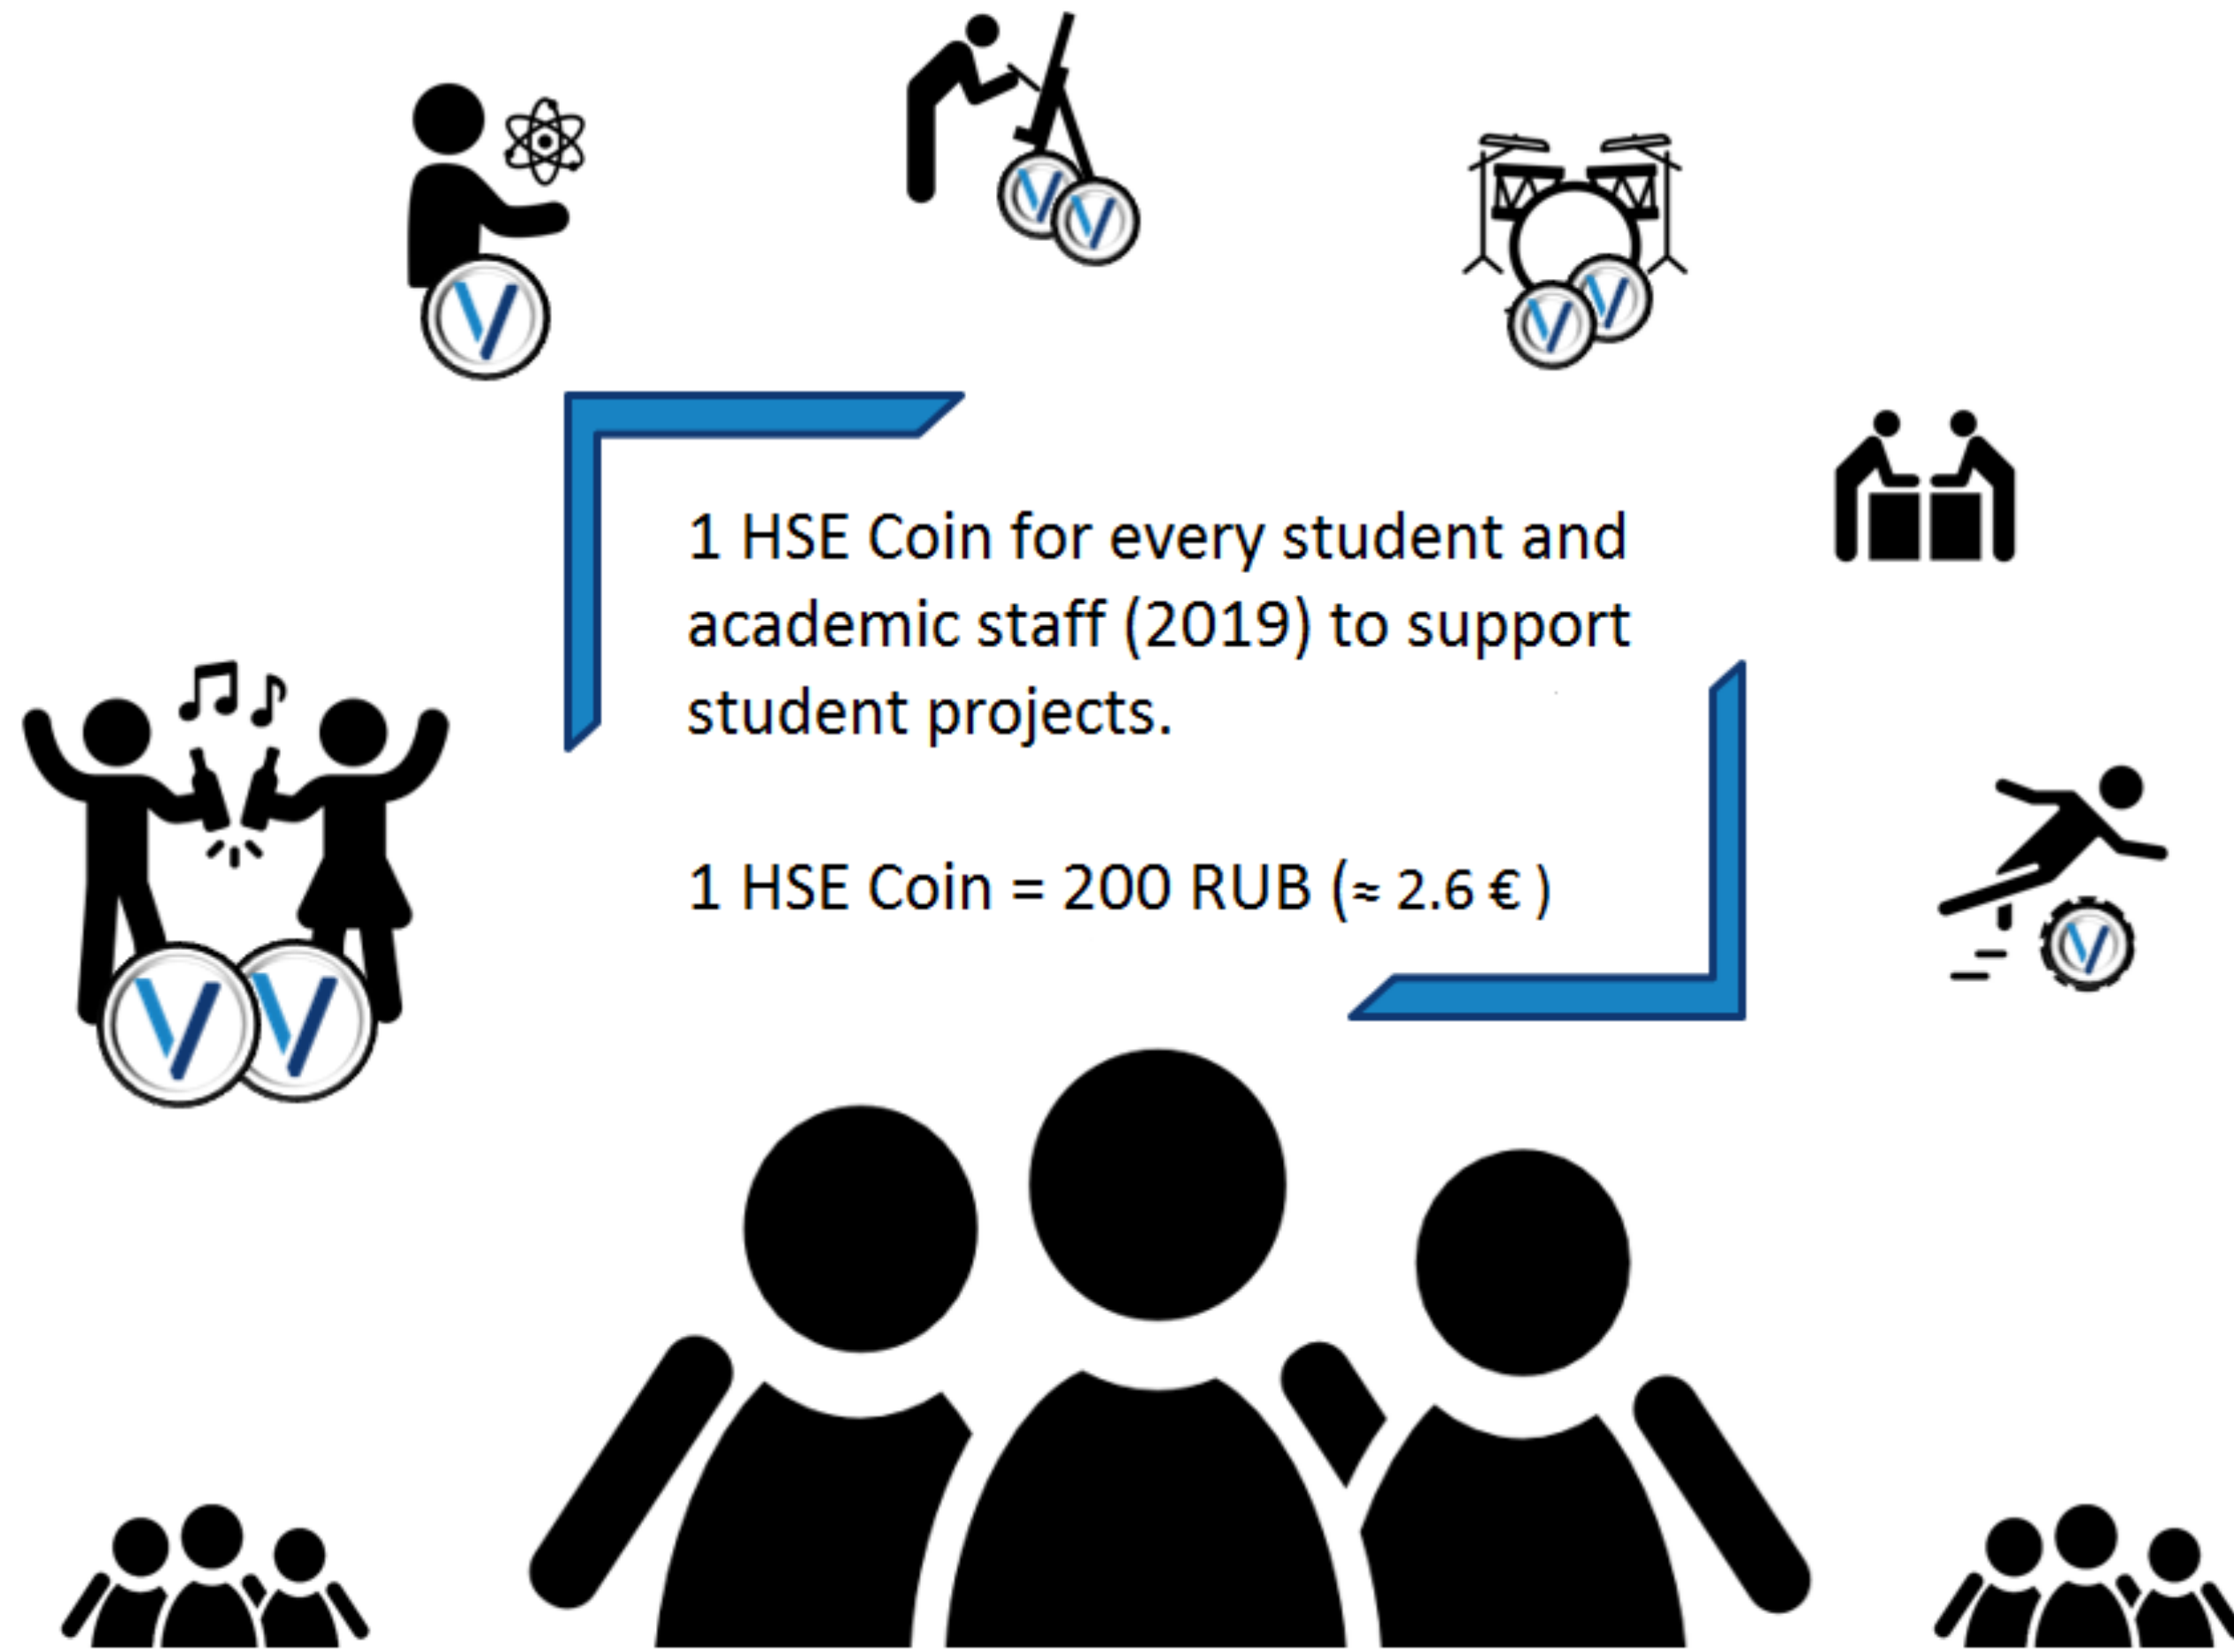

Since 2014: 692 projects were initiated, 115 projects won the contest

11`317`895 RUB have been allocated for project realisation.

HSECoin -- Internal Crowdfunding for Student Initiatives

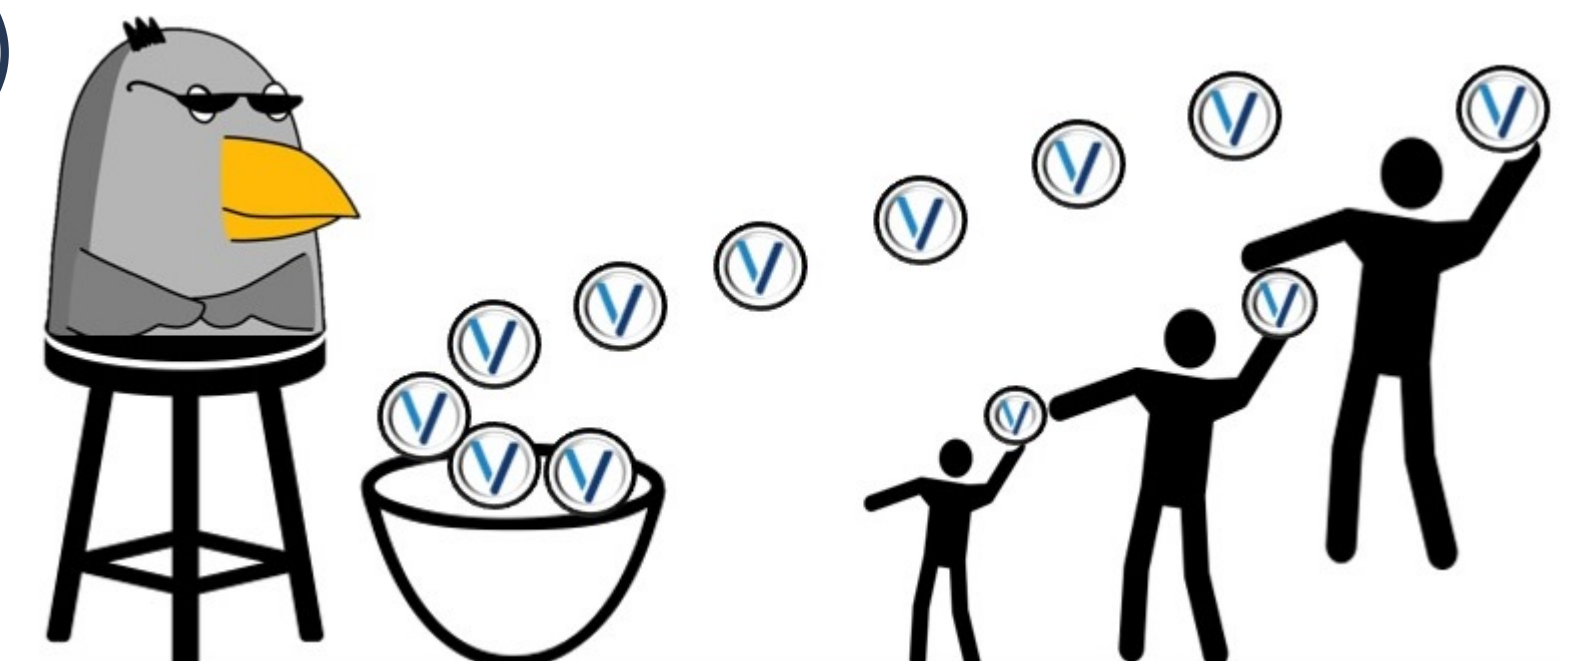

What if Students decide themselves what are the most interesting projects to be supported by the University?

Available from September 2018

Project is funded if 70% of the goal is collected

So far: 17 projects – 5 071 donated HSE Coins average of 0.86 HSE Coin

13 reached the goal (HSE app, W-W-W, The Vyshka etc)
