The awards and prices have been handed out, the university is a bit more sustainable and Green Impact for this academic year came to an end.

A big thank you to all the participating teams for their great accomplishments! 👸

Congratulations to team MOBI & ES for having the highest score ??

hope we can see you all next year and welcome lots of new teams as well 🎎 🙂

Who will be the most sustainable office in 2017-2018?

Apply (students and staff) to the GreenTeam, to become more sustainable and to win lots of great prices 6 - with Sofie De Laet, Thomas Collet, Leendert Plaetinck, Younes Rifaad, Lycia Van Roy and Eva Breuer.
