REUNION 2008

Monday 28th April: We welcomed one and all

Started the Reunion with Molly Malones and headed off from there! Nowadays the place to be on Monday is Redrum!

Tuesday 29th April

Spent the day having breakfast in Helsinki and then continued to Linnanmäki... And of course, what is Tuesday without Barfly?

Wednesday 30th April: Celebrate Vappu the Finnish way!

On Wednesday we met in the centre at 17:30 to get ready for **the capping of Havis Amanda**. Havis Amanda or "Manta" as we call her is a bronze statue on top of a fountain next to Kauppatori (Market Square) in Helsinki. Manta was made by Ville Vallgren in 1906 in Paris and she represents a mermaid who has decided to live on land. Vallgren described her as the personification of Helsinki, the daughter of the

Laurea Erasmus Alumni Newsletter 07/2008

Hey all former exchange students of Laurea University of Applied Sciences. Yes, this is for you! We at Laurea would like to inform you a little bit of what's going on, what is happening and how is Finland!

Reunion 2008 was too short

Started in 2007, the soon-traditional Erasmus Reunion was held again during Vappu in Helsinki. A bit more than 20 people showed up to remember the time in Finland and refresh the memories with the exchange students currently at Laurea.

The programme was build around the student celebrations in Finland, on Vappu (1st May). "You just have to experience this, it's amazingly... not Finnish" was said by the exchangees. Everyone attending the reunion got also a Laurea Erasmus Alumni t-shirt - which you might notice when you have a look at the Reunion pictures in the internet
