#### Kim są doktoranci?

Dominika Michalak, Anna Klimczak, Piotr Szenajch, Magdalena Małecka

Jest ich w Polsce ponad 37 tysięcy, około trzynastokrotnie więcej niż na początku lat dziewięćdziesiątych. Wszystko wskazuje na to, że będzie ich przybywać. Kim są doktoranci? Co ich łączy, a co dzieli? Co ich popchnęło na studia doktoranckie?

#### GRADER TYPES

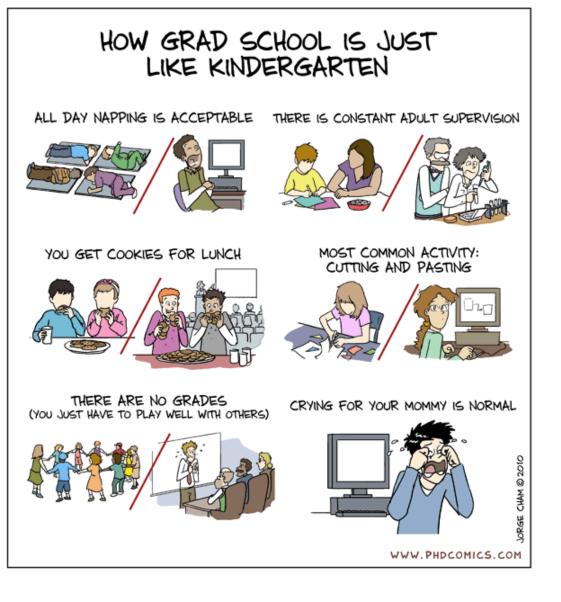

#### NOU as NGO

More possibilities to apply for grants for our activities, even for the research project!

#### Conclusions

- We had to organise ourselves outside university, although we are all PhD students
- Couldn't find proper framework for interdisciplinary cooperation of PhD students form 4 different institutions

(University of Warsaw, University of Gdańsk, University of Bydgoszcz and Polish Academy of Science)
