

Campus Map of Tallinn University

The Tallinn University campus is comprised of several buildings in close proximity, connected via skywalks. The main entrance to the Terra building is on the Narva Road. The entrance to the Mare building, is adjacent to the metered parking lot off Tuukri.

The IAPL 2012 Conference will take place daily in the Terra and Mare buildings. The IAPL 2012 Registration, Book Exhibit, Conference Café, and Information Desk are located on the third floor of the Terra building (T-324). In addition to the rest rooms located on each floor behind the lift in the Mare building, rest rooms are located on either side of the 3rd floor of the Terra building.

The skywalk links the second floor of the Silva building to the Mare building. IAPL 2012 signs will guide participants in each direction between the Terra and Mare entrances.
