Get Greener! – How to Spread the message:

- An Interdisciplinary view on Environment: Green Concept is widely adaptable (Technological Sciences, Humanities, Social Sciences, Law and Economics, Arts...);
- Professors as messengers of knowledge;
- Make people believe that they matter: setting clear goals;
- Recognize students' work: Ambassadors; Certificates; Trainee Programs;
- The main role of the Students' Unions: try to change mind-sets;
- Or...
