

# What are the challenges for university cultural policies?

Ahmed Medhoune

1st UNICA “University, Culture and the City” conference  
Universidade NOVA de Lisboa,  
Lisbon, Portugal, 16-17 May 2016

## Brussels

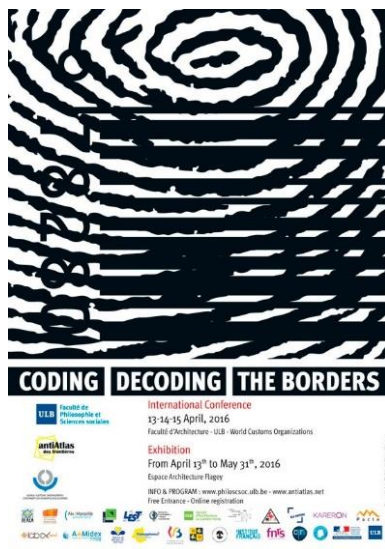

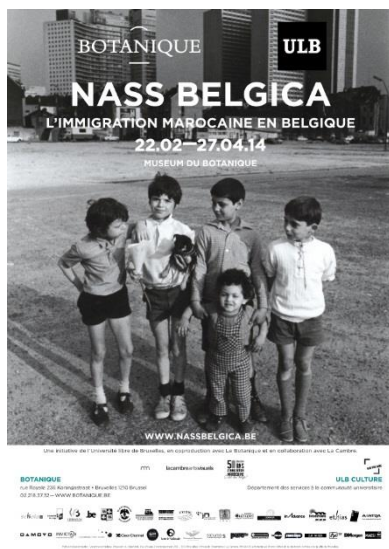

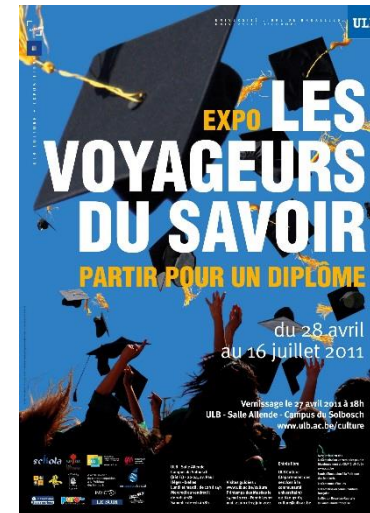

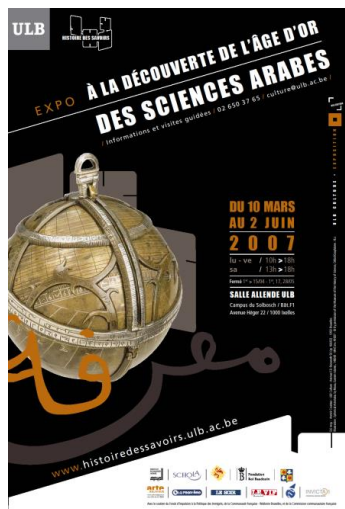

- 1,180,000 inhabitants
- The second most cosmopolitan city in the world
- 90,000 students

- ULB : 25,000 students

## The cultural policy at ULB: work in progress

- Access to a free cultural offer on our campuses and at reduced prices in the cultural institutions of the city
- 11 academic museums. Their collections are made up of a million items
- Making room for the players – supporting, accompanying and encouraging them

# Travelling exhibitions for the greater public

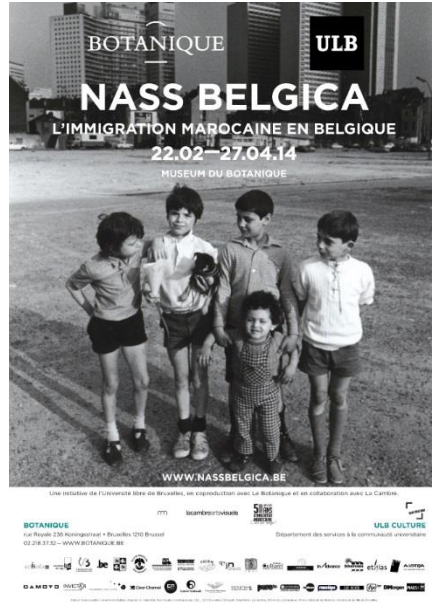

# Travelling exhibitions for the greater public

## Travelling exhibitions for the greater public

## **Culture at the university from the perspective :**

- of its mission to the community**
- of training**
- of research**

**“Happy are the insane, because they  
allow the light in”**

Thank you !
