Dear Colleagues,

With this letter, I would like to state my interest to run for the UNICA IRO Observer position.

In its life, the UNICA network has become an important universities network both at European and at worldwide level. Its key word values as exchange ability, sharing, learning, add value gave it a dynamism to connect people in order to create a friendly and a trusty environment, very important to foster the internationalization as the main tool of dialogue to reach a sustainable development.

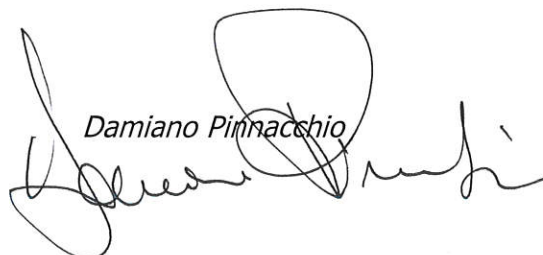

In this contest, the IRO group play a crucial role in their task of soft diplomacy. Its mission to link the strategic policy into practice actions need a deep discussion of the common actions and problems. An agenda of dedicated educational moments closes to the necessities of the IRO activities become very important to reach best practices in the fields of common interest.

The experiences gained at national and international level during my job life, the acquired capability of listening and dialogue with different stakeholders, could be a value added to voice the opinions and the requests of UNICA IRO group to the UNICA Steering Committee and mediate with them the best solutions for us.

I hope to have your support, dear colleagues, to become the UNICA IRO Observer in the next term.

Let me thank you in advance for your attention!

Yours faithfully,

Damiano Pinnacchio
