

## CHARLES UNIVERSITY

Prague, 19 June 2019

Dear Mrs. Dejonckheere,

Thereby I would like to submit my nomination to continue in the next term as member of the UNICA Steering Committee.

I confirm that it will be a great honour for me to carry out the mandate in person.

I declare that I have full support of Charles University as an institution in this position.

I had the honour to be a member of the Steering Committee for two terms since 2016. Therefore, this experience gave me the excellent opportunity to be involved in UNICA activities in detail and be involved in the decision-making process. I very much value this experience and this time and I would like to continue with the mandate. During my second mandate, I was contributing to the preparations and realisation of several international ventures and seminars of UNICA.

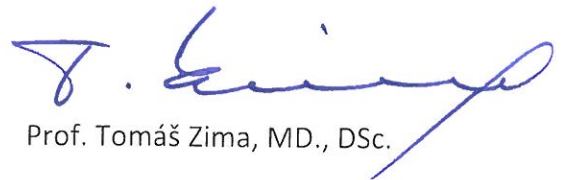

I am very proud that under the auspices of UNICA and other prestigious interuniversity networks such as Europaeum, Coimbra Group and LERU Charles University organized the Rector's Conference: "University and the Republic: Legacy of Democracy, Humanism and Responsibility celebrating 100 years of the foundation of Czechoslovakia" on the 24th – 25th of October 2018 in Prague.

I fully support the mission of UNICA activities, which are focusing on a reflection of current developments in academic environment that are important for Universities. I am convinced that the activities of UNICA network always were and continue to be – of an important nature of European Universities and academia.

I perceive UNICA as a strong and innovative player in the current European politics and I am looking forward to our joint-cooperation to form opinions on the current topics in research and science, education, student's training, security, international cooperation and the role of free, open and tolerant Universities in the national and world politics. It will be a pleasure for me to serve you in the Steering Committee for the third term.

Attached is my CV.

Yours sincerely,

Prof. Tomáš Zima, MD., DSc.
