NEW TOOLS AND APPROACHES FOR INCREASING THE OUTGOING MOBILITY

*King's College, London
17-18 April 2018*

Tatyana Tsaneva

Mobility numbers

2012/2013 – 2016-2017

↓ **24.72% - Out SM**

↑ **21.05% - In SM**

Reasons

- Financial
- Opportunity to go on mobility multiple times (up to 12 months for each study level)
- Competition with KA107, Erasmus+ internships, other programmes
- Opportunities for participation in short term programmes
- Demographic (free movement of citizens) – decreasing number of students on a national level
- Recognition issues
- Motivation
- Personal (health, family, etc.)

Tools and Approaches

- **Erasmus fair**

More than 120 universities presented

- **Earlier start of the selection campaign**

Tools and Approaches

- **Information meetings** (before and after the selection)
