Subject: Letter of Endorsement for the candidature of Prof. Luciano Saso to the UNICA Presidency

Dear Mrs Kris Dejonckheere,

As Rectors of the four universities in Rome members of UNICA we are writing to endorse the candidature of Prof. Luciano Saso for the position of UNICA President, running for a second term.

Prof. Saso is Vice-Rector for European University Networks at Sapienza University of Rome. During his presidency he has closely worked with our Universities on the occasion of several UNICA meetings held in Rome (UNICA Green and EduLAB meeting in 2016, Rectors Seminar: The Treaty of Rome after 60 years: Achievements and challenges of European Higher Education and Student Conference in 2017) as well as throughout a series of other international activities linking our academic communities.

From our interaction with Prof. Saso we can pledge that as UNICA President he has been hard working, skilled, creative and cooperative. The passion and commitment shown – as well as the long hours dedicated - during the UNICA events and throughout other joint international activities are truly commendable.

Prof. Saso has distinguished himself by an impressive base of knowledge and skills as well as by a most satisfactory capacity to represent all Roman universities as a whole. He demonstrated to be highly experienced in international relations, both as far as policy and practice are concerned.

In the last four years Prof. Saso served as a very active UNICA President participating in most of the UNICA activities and fostering many new collaborations, projects and initiatives for the benefit of all UNICA Members.

It is for the above mentioned reasons that we believe he should run for a second term for the position of UNICA President. Therefore, we would like to endorse Prof. Saso's candidature and wish him all the best for his endeavours.

Please feel free to contact us for any further details.

Yours sincerely,
