10-12 December 2015	SGroup's Secretariat, 119 Rue de Stassart - Brussels	10th November	30th November

### WHO IS THIS COURSE FOR?

- University teachers from different subject areas who are teaching or preparing to teach their subjects in English.
- The course is available to colleagues from both SGroup member and non-member universities.
- The course is suitable for participants with English skills at B2 level or above.

### WHY SHOULD YOU UNDERTAKE THIS COURSE?

- To improve your language skills in typical classroom situations.
- To learn about the principles and issues of teaching through English.
- To help you build strategies for teaching through English in university classrooms.
- To learn new ways to internationalise your curriculum
- Strengthen your career prospects.
- To expand your network of international academic contacts.

### WHAT ARE THE COURSE OBJECTIVES?

- Introduce the principles of English Medium Instruction (EMI).
- Familiarize participants with a variety of strategies for teaching through English in university classrooms.
- Develop participants' English communicative skills in typical classroom situations.
- Provide detailed feedback on participants' teaching.

### WHAT TOPICS WILL BE DEALT WITH IN THE COURSE?

- The principles and politics of EMI
- Making materials more accessible to your students - scaffolding
- Student-centred learning techniques
- Dealing with classroom situations - such as introducing your course and providing feedback
- Using online technologies to internationalise your classroom
- Using different registers in English
- Microteaching - teaching a short class to your colleagues
