## A European overview

Network of Universities  
from the Capitals of Europe

UNICA Session 2: Cooperation beyond EU

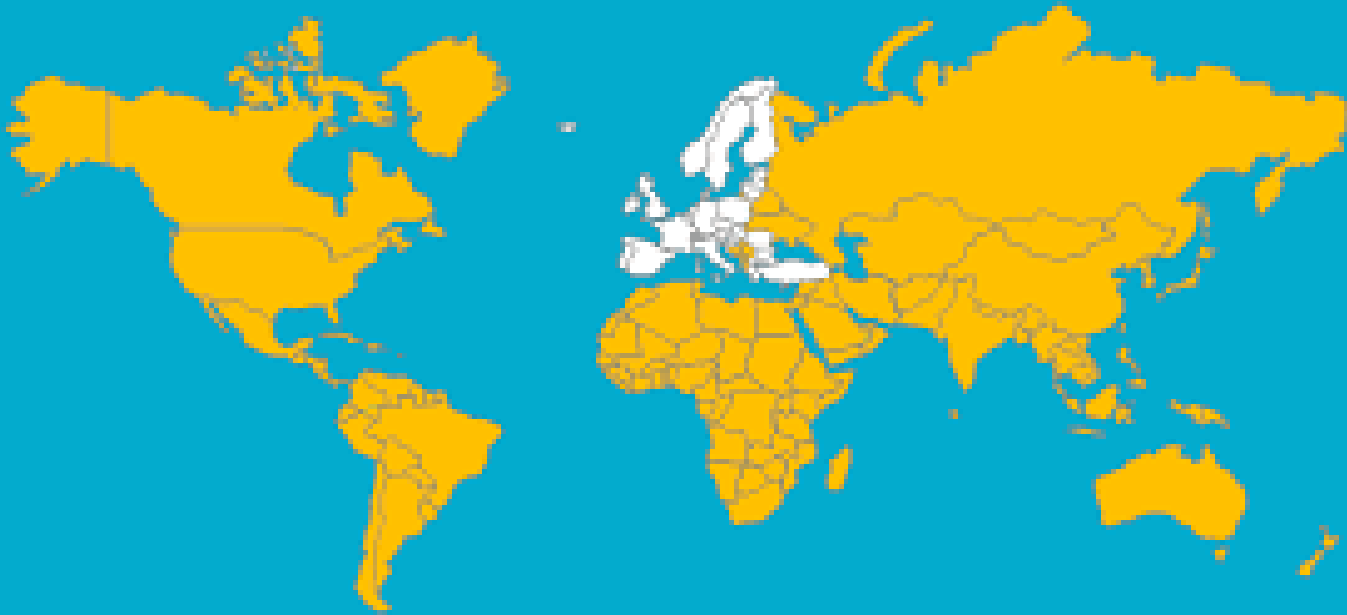

8.05.2019

Figures taken from the Erasmus Impact Study

# Erasmus+ Partner Countries

Programme ↔ Partner  
countries

**Through International Credit Mobility action we create opportunities for student and staff mobility across the globe**

?

135,000 grants for 6 years (for all EU)  
5639 Erasmus+ Charters issued till 2019  
≈ 4 grants per institution per year

# Difficulties within Erasmus+ International Credit Mobility

- Application process;
- Inter-institutional agreements;
- Visa issuance;
- Allocation of travel expenses: it's not possible to send money in advance in case expensive tickets are bought;
- Difficulty in finding partners;
- Transparent selection process;
- Low number of outgoing students vs. other universities that have the opposite problems -low number of incoming students

# Discussions

- ✓ What are the main obstacles in working with partner country institutions and how to overcome them?
- ✓ What in particular hinders or fosters further growth in cooperation with partner country institutions?
