

UNICA IRO Meeting 2016

Strategies for internationalisation at home and their implementation

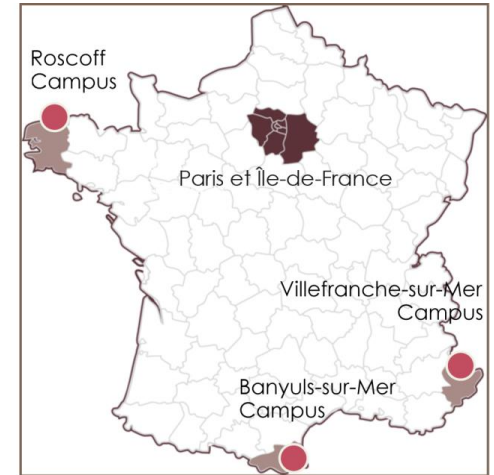

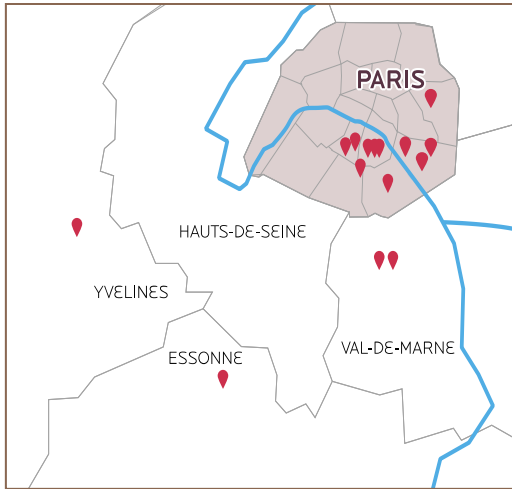

Agenda

- ❖ UPMC
- ❖ International Campus
- ❖ International Programs
- ❖ Contact Points
- ❖ Outlook

UPMC: Pierre and Marie Curie University

18 campus

3 biology stations/observatories

Sorbonne Université:

- ❖ comprehensive university center
- ❖ 11 institutions / 5 HEI
- ❖ range of academic domains

- ❖ **33,000 students** of which
6,900 international degree
seeking students
- ❖ **3,200** PhD students
1,300 international degree
seeking students
- ❖ **500 incoming exchange
students** per Year

- ❖ **10,100 staff**
8,400 are in research units
- ❖ **300** invited researchers

4 international undergraduate programs

17 international master programs (11 in English)

4 international doctorate programs

European Institute of Innovation and Technology

EIT Digital Master School

8 technical programmes (90 ECTS)

Minor in Innovation & Entrepreneurship (30 ECTS)

❖ Cooperation of 22 Universities (F/D/NL/UK/I/ES/HU/FI/SE)

❖ International cohorte and Mobility

❖ Double Diploma

Added value of the ELT Digital Master

Catalyzer for internationalisation:

- ❖ Improvement of curricula
- ❖ Development of courses in English
- ❖ Links between Teaching, Research, Innovation and Industry
- ❖ Reinforcement of partnerships with 18 leading European HEI
- ❖ High impact on modernization of internal structures

Sorbonne Université « International Schools »

- ❖ 2 weeks intensive classes
- ❖ Local and international students
- ❖ Language of instruction
- ❖ Lectures of international teachers

Hosting students

Programme de Licence Internationale (PLI)

- ❖ Hosting future public teachers from Brazil
- ❖ Spécialisation in Bio, Chemistry, Maths, Physics

Sciences sans Frontières

- ❖ Grant program for students at all levels
- ❖ 565 in total for the AY 2015-16 UPMC 3 students

- ❖ Welcome Week and International Day
- ❖ International Student association:
 “Les Internationaux de l’UPMC” & “SIMBIOS6”
- ❖ Welcome Office and French Language Office
- ❖ Conferences of international researchers

What we have to do

- ❖ Increase # of modules taught in English
- ❖ Other languages of instruction (ES/D)
- ❖ E-learning and video conferences for biology stations / observatories
- ❖ Create the administrative positions in International Master programs

Thank You !
