A LEADER IN RESPONSIBILITY AND SUSTAINABILITY

**WITH THE POWER OF KNOWLEDGE-
FOR THE WORLD**

RESEARCH

Ground-breaking research for building a better world

TEACHING

Educating experts who will change the world

PUBLIC ENGAGEMENT

Creating a better world together with other actors in society

DAILY OPERATIONS

A community of 40 000 people making a difference – every day

ENCOURAGING AND OPEN SUSTAINABILITY CULTURE

Every member of the UH community has the skills and knowledge to address sustainability issues, understanding especially the effect of own work and university's role as producing research and solutions, educator, partner and societal actor

TAKING ACTION IN NATIONAL COOPERATION

UNIFI THESES ON SUSTAINABLE DEVELOPMENT AND RESPONSIBILITY

Theses created by the Universities Finland UNIFIs national working group on sustainable development and responsibility, chaired by UH vice-rector Tom Böhling

More than 400 members of the Finnish university community participated in formulating and commenting the theses

THESIS 6

UNIVERSITIES' MANAGEMENT, ADMINISTRATION AND CAMPUS ACTIVITIES ARE IN LINE WITH THE SUSTAINABLE DEVELOPMENT GOALS.

UNIVERSITY OF HELSINKI BUILDING A SUSTAINABILITY PLAN THROUGH A COLLABORATIVE PROCESS

In order to deliver our ambitious strategic objectives and to further strengthen our sustainability work, the University of Helsinki will produce its first-ever sustainability plan.

We want to reflect on how we bring together our existing sustainability and responsibility work, and how can we push our work further.

The sustainability plan process hopes to embody the openness, communality, and inclusivity of UH.
