Educational Projects

- Collaborative projects bringing together academics from the six 4EU+ member universities
- Great variability of possible activities:
 - workshops
 - short-term intensive learning experiences
 - summer schools
 - joint courses and modules
 - core curricula
 - joint study programmes
- Innovative educational ideas and solutions, new designs or new activities

All projects must meet the following conditions:

- to involve at least three 4EU+ member universities
- be of thematic relevance to one of the four 4EU+ Flagships
- to include educational activity/ies (pure research activities cannot be part of the project's work plan)
- to involve any kind of student mobility (physical, virtual, or blended)

Compatibility of curricula

- To deepen cooperation in education and booster mobility
- Online meetings and physical workshops
- Activity depends on willingness of participants, attendance is voluntarily
- Running
 - Geology/geography
 - Sociology
- Selected for 2022
 - Physics
 - Chemistry
 - Ancient studies
 - Philosophy

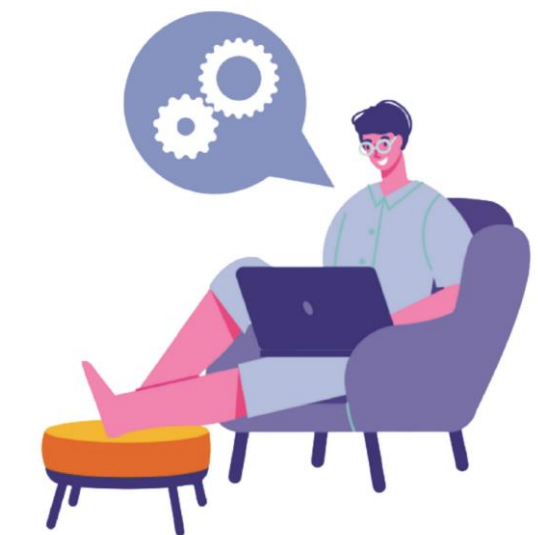

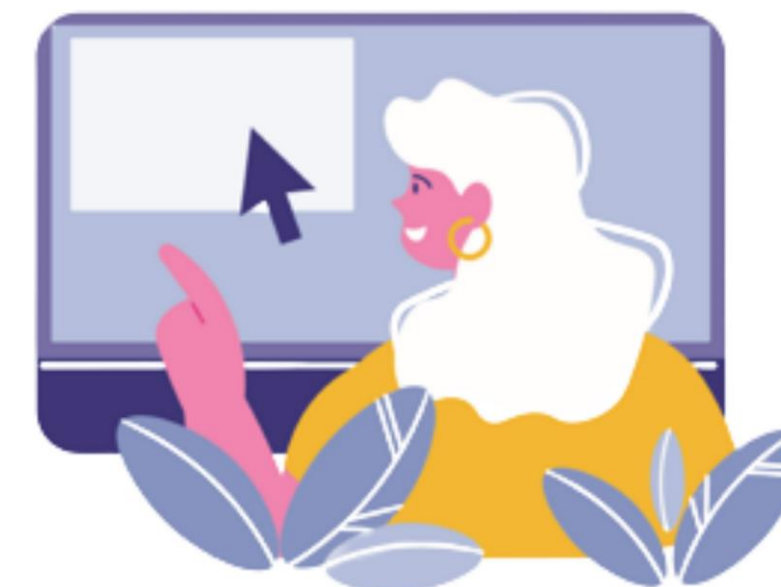

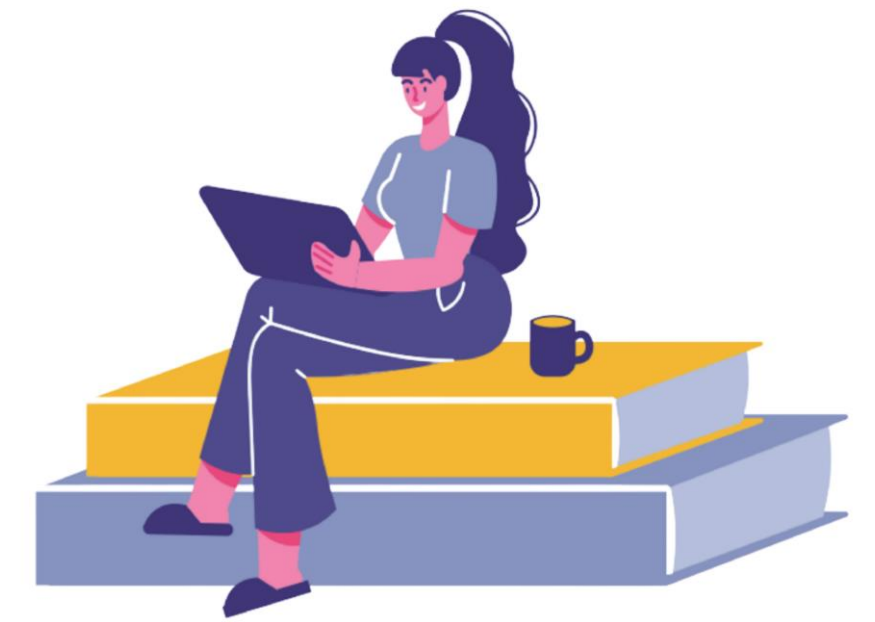

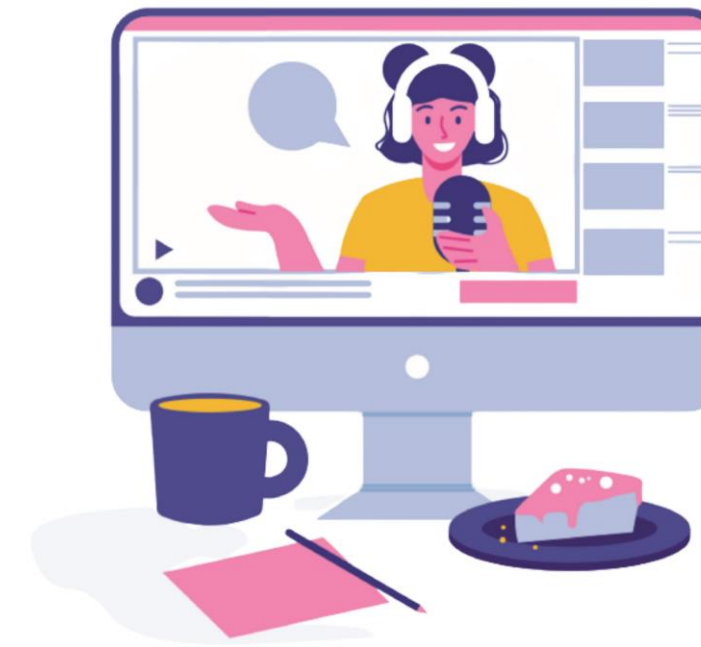

Shared courses

- Already taught at a partner university
- Meeting one of 4EU+ Flagships and/or a key competence
 - Multilingualism
 - Data literacy
 - Critical thinking
 - Social engagement
 - Entrepreneurship
- Open to students from all 6 universities
- Accessible virtually
- Without any costs

Virtual mobility

- Shared courses and joint activities
- From an emergency solution to a new mobility
- Tens of courses each semester
- Hundreds of students participating
- Helping to build the 4EU+ community
- Accessible
- Internal funding
