<https://www.unica-network.eu/event/webinar-schoolsofeducation-capitalcities/>

Please note that participation is free, but **registration is required**.
Registered participants will receive **an automatic notification**
with **the link to join** the online workshop.

Concept Note

Higher Education Institutions are becoming increasingly international in their student and staff recruitment, teaching and learning, and research. Yet, universities are also expected, and rightly so, to serve local communities, their immediate neighborhoods, and the cities where they are based and operate.

The webinar will address the ongoing developments in the cooperation between universities and their cities, extracting lessons from partnerships between city administrations and Universities' educational divisions (Department of Education/School of Education etc.).

UNICA EduLAB Webinar
