Getting Around Belfast

Belfast city centre is relatively compact and many places can be reached easily on foot. If you need a taxi, we recommend Value Cabs. Taxis can be booked through their website or app, and card payments are accepted.

<https://www.valuecabs.co.uk>

Value Cabs: +44 (0)28 9080 9080

Currency

Northern Ireland uses Pound Sterling (£). Please note that the Republic of Ireland uses euros (€). If you are travelling via Dublin, you will be travelling between two jurisdictions which use different currencies.

Weather & What to Bring

Belfast weather can be unpredictable so bring a light waterproof jacket and be prepared for a little bit of everything. There will be some walking as part of the programme, so comfortable shoes are recommended.

Wi-Fi

QUB Guest Wi-Fi is accessible in most areas of campus.

Accessibility

Queen's aims to provide accessible facilities across campus. If you have an accessibility requirement, please indicate this to the UNICA host before arrival, so that suitable arrangements can be confirmed.

Some Top Tips...

Food & Drink - Belfast has a fantastic food scene, from traditional local favourites to independent cafés, restaurants and markets. Keep an eye out for soda bread, potato bread and an Ulster Fry.

Look Up! Belfast's story is written across its streets. Keep an eye out for murals, street art, historic buildings and hidden details as you explore the city.
